# Branded printwear that looks good and does good.

We have four of the best brands in the business, with great styles for every customer need. And now, for every eligible piece of our apparel\* you purchase from wholesalers for embellishment, the school of your choice will receive a cash rebate.

Hanes4Education is an easy way for printers and PPDs to make a difference in their communities by supporting local schools. Here's how it works: For every piece of our eligible apparel you purchase from wholesalers for embellishment, a school you select will receive a cash rebate of ten cents. Think about all of the apparel your company orders for embellishment throughout the year – all of your customer's orders, not just orders for schools!

## You're already placing the orders.

### Why not let the orders do even more?

For example, if you order 2,500 shirts for a music festival (or a fun run, or a business, you get the idea), a local school would receive a rebate check for \$250 – just for that one order. Now group together your apparel orders for the week or the month or the quarter, and that adds up quickly! To date, schools in the United States have received over one million dollars from the Hanes4Education program.

x 2,500 pieces of apparel  
= \$250.00 to the school  
you choose

Each school can only earn up to \$5,000 per calendar year. And each individual submission is limited to 10,000 shirts or \$1,000. However, there is no limit on the number of submissions you can make as long as our eligible products are purchased from wholesalers for embellishment. If your company purchases 100,000 pieces of our apparel from wholesalers a year, you can donate \$10,000 to your local schools.

**Joining is simple. Just create an account.**
